TREASURER'S REPORT: Presented and reviewed. It was mentioned that Mike Kelley is working with the Franchise Tax Board to assure we are in compliance with regulations. He will report back at next meeting.

Adult Coordinator Report: Coordinator passed round six sign up sheets which included all Adult tournaments through May. Bob reported that there is a new rotating National Event on the schedule for August 3-8. Tony will be handling assignments for that event.

Junior Coordinator Report: Feb., March and April schedule was routed at last meeting and assignments have already been assigned. The Pearson tournament was completed after all the rains. Long hard days for umpires as a 5 day tournament had to be completed in 3 days. Tony thanked everyone for their hard work. There were some complaints regarding format change and scheduling matches on a Monday, but the options for completing the tournament were limited.

Collegiate Coordinator: Mark reported that there have been some challenges with the scheduling so folks may be receiving last minute calls regarding schedule changes. Some of this may affect pricing as one event wants to play doubles before singles. Barnes Center will host the West Coast Conference March 2009. Mark reminded folks of the specific procedures for reporting to College matches. Everyone was asked to review the procedures which are on the website: RAIN: Do not show up if raining. "Lead" is to confirm with others regarding the match. Details regarding pay and delayed matches is on the website. Referees for college matches, please review the procedures for match completion report that is sent to Mark.

Old Business:

- Fed Cup went well even with the rain delay. LB&T did a great job.
- Certification Schools went well. Mark thanked everyone that helped with the schools.

New Business: A discussion regarding some umpires receiving notice that they are required to have a business license as an independent contractor. Several folks discussed what they were doing. Several folks said they would investigate further and report back to the membership what they find out.

Meeting was adjourned at 8:24pm. Next meeting is March 12, @ 7:00pm in the Balboa Clubhouse.
